Who We Are?

Our Aim

Who We Are?

Temizoda Marketi started its business life in 1995 with İNŞEL Yapı ve Teknik Donatım Sistemleri Ltd. Sti. Specializing in cleanroom consultancy, design, implementation, documentation, and training, İNŞEL aims to meet the needs of personnel working in cleanrooms, sterile areas and critically controlled areas when it aims to provide turnkey services in the projects it implements.

İNŞEL, which has started to supply consumables in Cleanrooms, sterile areas and critically controlled areas through its representatives since 2004, has separated this department from its body in time in order not to cause confusion for our valued customers and to provide better service led to creation of Temizoda Marketi Laboratuvar Ürünleri A.Ş.

Today, as Temizoda Marketi, we are always with you, our valued customers, from product selection to training with our professional and experienced staff, while following the technology closely to provide you with the best service in the most accurate way.

Our Aim

As Temizoda Marketi, we know our valued customers from the very beginning, from the installation of your hygienic area and Cleanrooms, and we know your needs. We are aware of how important it is to use the right material in the right place, and we are always at your side to supply you with the best quality and right products with the most appropriate solutions. We supply the highest technology products for you, and we are with you wherever you need, from training to after-sales user Support.

We know that choosing the right product is never the cheapest or the most expensive, and at this point, we help you with the most optimum benefit options...

Why Temizoda Marketi?

We know you; we know your needs and we are here to help you in the best way

As Temizoda Marketi, we try to get to know you first and learn about your business, processes, and needs and offer you the most suitable solutions.

As Temizoda Marketi, we are always happy and proud to assist you with our trained and experienced staff.

We are working to give you the best and highest quality service with our experienced staff dedicated to each department.

As Temizoda Marketi, we are always happy and proud to assist you with our trained and experienced staff.

We are working to give you the best and highest quality service with our experienced staff dedicated to each department.

Choosing the right product is one of the most important issues in cleanrooms and critically controlled areas.

As Temizoda Marketi, we choose the most accurate and best quality products for your business in line with your demands and goals and recommend them by making them economical.

The materials used in critically controlled areas are as special and important as the areas you work in.

We know that the most suitable product for you is not always the most expensive or the cheapest, but it should be the best quality. In order to offer you the optimum solution, as Temizoda Marketi, we offer you the products you need by diversifying them with alternatives from different brands.

As Temizoda Marketi, we know the importance of the documentation of all materials you use in critically controlled areas, and we provide all documents, certificates, analysis reports, and all necessary documentation for you, that are necessary, during the installation phase, application and validation.

Temizoda Marketi does not only approach you as a product supplier. At the same time, it stands behind the products it sells and does not hesitate to take all necessary actions to eliminate it when you have any problems.

It does not sell products without the full support of the companies it represents. When there is a problem about the products, Temizoda Marketi approaches the issue as if using it himself and ensures that it is resolved as soon as possible. Thus, you will get maximum efficiency from the product you have bought.

As Temizoda Marketi, we would like to help you with all the products you need with our wide product range. Even if the product you need does not appear in our catalog, we try to find the product you are looking for with our partners abroad. Thus, we provide you with one-stop service as sole responsibility.

Temizoda Marketi does not only supply you with products, but also provides training, which is one of the greatest necessities of our time. No matter how accurate the product is in critically controlled areas, incorrect or unconscious use can cause unwanted problems. Upon request, it provides the necessary training for the products you have purchased, either by itself or by the manufacturer.

Our Representatives

We are working with well-established companies that have proven their quality all over the world in auxiliary products used in clean rooms, sterile areas, laboratories and other critically controlled areas, to provide you with the best and right product.

CleanGuard 1- IPA Hand Sanitiser- Non-sterile

Product Code | ZNIP50025

Benefits

- 70% alcohol content
- Manufactured with WFI
- UK BPR Registered
- Validated Performance
- EN 13727:2012+A2:2015 – Pass
- EN 13624:2013 – Pass

Usage

- Designed as a sanitising hand rub for use in a professional environment

Features

- Transparent bottle
- Simple push down dispensing pump
- Fragrance-free
- Non-sticky
- Quick drying

PRODUCT INFORMATION

PRODUCT DESCRIPTION

Specifically designed as a sanitising hand rub for use in a professional environment, the Micronclean validated hand sanitiser is our own unique IPA based formulation with 70% alcohol content and is fragrance free, non-sticky and quick drying.

PRODUCT FEATURES

Transparent Bottle Simple Push down Dispensing Pump
UK BPR Registered EN 13727:2012+A2:2015 – Pass EN 13624:2013 – Pass

PACKAGING

Supplied in a transparent PET bottle and then packed with a dedicated cardboard carton.

QUALITY ASSURANCE

Product supplied under BS EN ISO 9001 registered systems.

SHELF LIFE

Unopened shelf life- 24 month Shelf life after opening- 6 weeks

STORAGE CONDITIONS

Store in cool, well ventilated area.

CleanGuard 1- IPA 5 Litre RFU- Sterile

Product Code | ZSAL64005

Benefits

- 70% IPA blended with WFI quality water
- Bulk container for larger surface areas
- Easy to use with bucket mopping systems

Usage

- Hard surface alcohol disinfection

Features

- HDPE 5 Ltr bottle
- Tamper evident PP vented cap
- Alcohol filtered to 0.2 μ
- Gamma irradiation stable
- 2 year shelf life

PRODUCT INFORMATION

PRODUCT DESCRIPTION

Sterile cleanroom 5L RFU containing 70% isopropyl alcohol and 30% water for injection. This product was designed for use during the disinfection of hard surfaces.

MANUFACTURING

The product is filled and capped in ISO 14644-1 Class 5 (in use) unidirectional airflow. Packaging is performed within an ISO 14644-1 Class 7 (in use) cleanroom.

The disinfectant is filtered through a 0.2 micron filter at the point of fill.

DISINFECTANT SPECIFICATION

70% USP Isopropyl Alcohol / 30% USP WFI.

PACKAGING

Primary packaging: natural HDPE bottle with tamper evident screw cap. Secondary packaging: double bagged in polythene pouches.

STERILISATION DETAILS (if applicable)

Gamma Irradiation (minimum 25kGy) sterile variant only.

QUALITY ASSURANCE

Product supplied under BS EN ISO 9001 registered systems.

SHELF LIFE

2 years from date of manufacture.

STORAGE CONDITIONS

Store in cool, well ventilated area. Keep trigger spray tightly closed. Keep away from sources of ignition.

CleanGuard 1- IPA Trigger Spray- Sterile

Product Code | ZSAL64499 - ZSAL64950

Benefits

- No bag in the bottle
- 70% IPA blended with WFI quality water
- Filtered to 0.2µm at point of fill
- Mechanically sealed, tamper-evident trigger head
- Low centre of gravity bottle design
- Transparent bottle
- Long trigger handle, ease of use

Usage

- Designed for use in Cleanrooms
- Cleanroom transfer process
- Disinfection of hard surfaces
- Use within Isolators / Lafs

Features

- Trigger spray with spray / off feature
- HDPE bottle
- 2 year shelf life
- Gamma irradiation stable

PRODUCT INFORMATION

PRODUCT DESCRIPTION:

Sterile and non-sterile cleanroom trigger spray containing 70% isopropyl alcohol and 30% water for injection Trigger spray designed for use in the cleanroom transfer process and the disinfection of hard surfaces

PRODUCT FEATURES

Trigger spray with spray / off settings Trigger designed for low actuation force Tamper-evident neck fastening HDPE bottle A hydrophobic ePTFE membrane, preventing liquid and microbial penetration while allowing gas exchange in both directions to equalize pressure

MANUFACTURING

The product is filled and capped in ISO 14644-1 Class 5 (in use) unidirectional airflow Packaging is performed within an ISO 14644-1 Class 7 (in use) cleanroom The disinfectant is filtered through a 0.2 micron filter at the point of fill

TECHNICAL USER INFORMATION

InSpec™ IPA is a sterile ready to use disinfectant. This is a 70% v/v alcohol solution in WFI quality water.

InSpec™ IPA is manufactured to GMP in an ISO 6 cleanroom. The product is filled and capped in an ISO class 5 environment. The solution is filtered through a 0.2 micron filter and gamma irradiated to a validated process (at 25-45kGy) to give a sterility assurance level SAL of 10⁻⁶.

InSpec™ IPA is supplied with Certificates of Conformity, Analysis and sterile versions also have certificates of Irradiation Sterility and Endotoxin. All formats of IPA have a stabilised 24 month shelf life.

SACHET WIPES

InSpec™ IPA tear open sachets for single use wiping applications. Pouch Wipes - Polycellulose InSpec™ IPA peel open pouch Wipes are high specification, low linting cleanroom wipes.

TUB WIPES

InSpec™ IPA Tub Wipes, an economical solution for wiping applications.

POUCH WIPES - POLYESTER

InSpec™ IPA Knitted Polyester Wipes are high specification, laser cut, ultra low linting cleanroom wipes
